SEMINAR ATTENDING GUIDE

THE ONLY ASSOCIATION PROVIDING KINESIO TAPING CERTIFICATION

WWW.PROGRESS.COM.SG

Welcome to the KTA Seminar Attending Guide on attending an approved Kinesio Taping Seminar!
This guide will walk you through the steps needed to host a KTA approved course. Use this guide as your reference to navigate yourself through this process.

KINESIO® TAPING ASSOCIATION IS THE ONLY...

...ASSOCIATION THAT CAN ISSUE CKTP ACCREDITATION.

Join the Kinesio® Family by becoming a Certified Kinesio® Taping Practitioner(CKTP). Our CKTPs are respected throughout the therapeutic and athletic communities for their knowledge and expertise.

...ASSOCIATION, TECHNIQUE , SEMINARS AND PRODUCT KNOWN FOR 30 YEARS.

Kinesio® has led the way for well over a quarter-century. We are not only the most well-known elastic taping company in the industry, but also the most trusted!

... ASSOCIATION THAT ORIGINATED AND CONTINUES TO DEVELOP THE KINESIO TAPING METHOD.

Kinesio® is the worldwide leader and originator of the elastic, therapeutic taping market. Trust no substitutes!

...ASSOCIATION THAT OFFERS STATE OF THE ART DATABASE AND REFERENCE SYSTEM.

Through interactive video, instructional, and forum platforms, our database system allows our trained seminar attendees to further their knowledge and foundational techniques.

...ASSOCIATION THAT OFFERS FULL COLOR STEP BY STEP MANUALS.

Guided by Dr. Kenzo Kase, the KTA Education Committee, and thousands of Certified Kinesio® Taping Practitioners and Instructors, our manuals have been developed to provide up to date instruction on the most demanded technique in the world.

Since our groundbreaking exposure at the 2008 Summer Games, interest in and excitement for our products and services has been growing at a meteoric pace. Now is the perfect time to attend or host one of our approved KT courses!

THE KINESIO TAPING ASSOCIATION AND ITS APPROVED PROVIDERS IS THE ONLY CHOICE FOR YOUR ELASTIC TAPING NEEDS AND SEMINARS!

Caring for you since 1968

WHY TAKE AN APPROVED KTA SEMINAR

With the ever growing number of taping seminars being held around the globe, you may be wondering why taking an approved Kinesio® Taping seminar is so important to you.

Dr. Kenzo Kase, FOUNDER

INSTRUCTION

- ...you will receive the most up-to-date, state-of-the-art instruction
- ...you will learn from our highly qualified, certified instructors, trained extensively providing you the most complete “tool kit” available for your future success
- ...you will receive assurance knowing that you learned from the best

CURRICULUM

- ...you receive a curriculum endorsed by Dr. Kenzo Kase, founder of the Kinesio® Taping Method
- ...you receive a standardized curriculum set by KTA and its Education Committee, ensuring that you get the most out of your learning experience
- ...you master a program of study of the fundamental information and advanced concepts
- ...you obtain a standardized number of contact hours with an instructor, which ensures you get the most educational value for your dollars

ACCREDITATION

- ...you will be prepared to pass the required test and earn the title of Certified Kinesio® Taping Practitioner
- ...you receive the only opportunity to obtain accreditation through

our association when our technique and standard protocols are recognized by the National Commission of Certifying Agencies

MATERIALS

- ...you are ensured the most complete and comprehensive materials offered in the market today
- ...you are provided with two (2) full-color Kinesio® Taping Seminar Manuals. These manuals are designed to give you an overall understanding of the necessary application foundation
- ...you qualify for one-year’s access to our state-of-the-art reference database
- ...you obtain one year’s subscription to our Advance Healing Magazine
- ...you utilize Kinesio® Tex tape, the only tape that matters

Caring for you since 1968

KTA APPROVED SEMINARS

KT1 - FUNDAMENTAL CONCEPTS

(TO BE TAKEN IN CONJUNCTION WITH KTA APPROVED KT2 COURSE)

- 8 hour course
- Designed to introduce practitioners to the KT Method
- Covers the five(5) major physiological effects - skin, circulatory/lymphatic, fascia, muscle and joint
- Features lab sessions to practice KT applications
- Upon completion of this course attendees will know how to use the KT Method to relax overuse syndrome, muscles and decrease pain and swelling

KT2 - ADVANCED CONCEPTS AND CORRECTIVE TECHNIQUES

(ATTENDEES MUST COMPLETE KTA APPROVED KT1 COURSE BEFORE TAKING KT2)

- 8 hour course
- Builds on material learned in KT1
- Covers the six(6) corrective techniques - mechanical, functional, space, fascia, ligament/tendon and lymphatic
- Features lab sessions to practice KT applications
- Completion will allow attendees to apply the KT Method to orthopedic and neurological conditions

KT3 - KINESIO® TAPING CERTIFICATION COURSE

(ATTENDEES MUST COMPLETE KTA APPROVED KT1 AND 2 COURSES BEFORE TAKING KT3)

- Minimum 8 hour course
- Combines KT1 and KT2 coursework
- Features lab sessions to practice KT applications
- Covers some of the more advanced techniques of the KT Method
- Can be tailored to specific conditions, professions or applications by each instructor
- Upon completion, attendees will be eligible to take the CKTP exam

KTA STANDARD COURSE AGENDA

In order to fully prepare you for our highly sought after CKTP recognition and necessary examination, the following are required. This program was founded and designed by Dr. Kenzo Kase and further developed by practitioners just like you.
